

PRODUCT

LS1KG

1Kg Multi-purpose Fire Extinguisher

DESCRIPTION

Multi-purpose fire extinguisher with a fire fighting capability that is A-B-C rated (see ratings below) and is ideal for use on most types of small domestic or vehicle fires.

KEY FEATURES

- **Pressure gauge** confirms that the extinguisher is fully charged and ready to use
- **8 second discharge duration** for helpful fire fighting capability and reassurance
- **5A 34B C fire rating** – also safe for use on electrical fires
- **Easy-to-use and install** – convenient mounting bracket included as standard

WHERE TO USE

This multi-purpose 1kg extinguisher can be located anywhere in the home and is designed for use on small fires before they get out of control and without taking unnecessary risks to life. It can also be used in motor vehicles but is **not recommended for use on fat-pan fires**, where instead a Kidde Fire Blanket is recommended. This extinguisher is suitable for use on fires involving electrical voltages of up to 1000V – but damage may occur to equipment.

Fire Ratings:

- A** – wood, paper, textiles
- B** – petrol, oils and paints
- C** – flammable gases
