Product Description

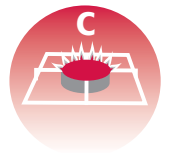

This 2kg 'Easi-Action' fire extinguisher is designed for use in the car or vehicle and can be used to put out a fire before it gets out of control or without taking unnecessary risks. A fire extinguisher's rating is the measure of its fire fighting capability, and for domestic purposes, an ABC-rated extinguisher is recommended because it can be used on most types of fire common to the home or vehicle.

Fire Ratings;

A = wood, paper, textiles

B = Petrol, oils and paints

C = flammable gases
